PTI No. 37-17A is a modification to the five post cure ovens permitted in PTI No. 37-17. This modification allows for an additional stack for each of the five post cure ovens bring the total stacks to 10.

There is no change to the previous emission factors or permit limits. No additional emissions will be produced as a result of this modification.

There is no ROP markup to include due to PTI No. 37-17 not being included in the ROP renewal application submitted on February 22, 2017.
