RE: #MI-ROP-N5831-2014b
Wilderness CO₂ Plant & Hayes 29 Central Processing Facility

Dear Shane:

I was informed that Riverside Energy MI needed to submit a Modification form due to the Permit to Install for the Hayes 29 Dehydrator that was issued in June of 2021. We would like to revoke this PTI as the dehydrator is part of the renewal submittal and is still covered in the current ROP that is in place. Riverside still meets the conditions of both PTI and the ROP permits at this time.

Enclosed you will find the M-001, Certification Form, and the 1st page of the permit to install. Should you need anything else please feel free to contact me.

Sincerely,

Carolann Knapp
