Dear Mr. Belles:

SECOND VIOLATION NOTICE

In January 2020, the Michigan Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD) notified Hastings Manufacturing Company of the requirement to submit a 2019 air pollution report, with the required submittal date of March 15, 2020. In response to the non-submittal of this report, a second letter was sent on April 16, 2020, requesting immediate submittal of the Michigan Air Emissions System (MAERS) forms required pursuant to Rule 202 of the administrative rules promulgated under Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended.

On June 11, 2020, the AQD sent a Violation Notice (VN) citing a violation of Rule 202 and requested Hastings Manufacturing Company to complete the MAERS submittal by June 25, 2020 (14 days from the date of the letter). A copy of this Violation Notice (VN) has been enclosed for your reference.

Please be advised that failure to submit the requested report may result in an escalated enforcement action by the AQD. Please provide the information requested in the VN dated June 11, 2020 by July 31, 2020, which corresponds to 14 days from the date of this letter.

Be further advised that issuance of this VN does not preclude or limit EGLE's ability to initiate any other enforcement action under state or federal law as appropriate.

SECOND VIOLATION NOTICE
