

DEPARTMENT OF ENVIRONMENTAL QUALITY
 AIR QUALITY DIVISION
 ACTIVITY REPORT: Scheduled Inspection

A212247356

FACILITY: CLAUSING INDUSTRIAL INC		SRN / ID: A2122
LOCATION: 2019 N PITCHER ST, KALAMAZOO		DISTRICT: Kalamazoo
CITY: KALAMAZOO		COUNTY: KALAMAZOO
CONTACT: Max Crawford , Purchasing Agent		ACTIVITY DATE: 12/19/2018
STAFF: Monica Brothers	COMPLIANCE STATUS: Compliance	SOURCE CLASS: MINOR
SUBJECT: Unannounced scheduled inspection		
RESOLVED COMPLAINTS:		

This was an unannounced, scheduled inspection. Clausing Industrial makes machine tool products for various industries. Staff, Monica Brothers, arrived on-site at about 1:00pm and met with Max Crawford, Purchasing Agent. Upon arrival, no odors or visible emissions were observed. Max said that the facility no longer does machining of parts and only does assembly. He also said that they no longer do any painting. The paint booths are no longer in operation. The facility also does not have any boilers or generators, and has only one cold cleaner that is maintained by Safety Kleen. The facility seemed to be in compliance at the time of the inspection.
