VIOLATION NOTICE

In January 2023, the Michigan Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD), notified Dunn Paper of the requirement to submit a 2022 air pollution report, with the required submittal date of March 15, 2023. In response to the non-submittal of this report, a second letter was sent on March 30, 2023, requesting immediate submittal of the Michigan Air Emissions Reporting System (MAERS) forms required pursuant to Rule 202 of the administrative rules promulgated under Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended. A copy of the March 30, 2023, letter is enclosed for your reference.

At this time, we still have not received Dunn Paper, Inc.'s MAERS reporting forms and SCT and you are hereby notified that this constitutes a violation of the above referenced act and rule. Please submit the MAERS reporting forms and SCT within (14) days of the date of this letter.

If Dunn Paper believes the above observations or statements are inaccurate or do not constitute violations of the applicable legal requirements cited, please provide appropriate factual information to explain your position.

Thank you for your attention to resolving the violations cited above. If you have any questions regarding the violations or the actions necessary to bring this facility into compliance, please contact me at the number listed below.
