In a Violation Notice dated October 17, 2019, the AQD cited the Company for violating Rule 336.1912 (Rule 912) and the terms and conditions of Consent Order AQD No. 19-2017, specifically, failure to provide notice of an abnormal condition or malfunction continuing for more than 2 hours within the proper timeframe for FG-CONTROLS.

Paragraph 9.d. of the Consent Order states the following condition:

“On and after the effective date of this Consent Order, the Company shall implement the OMP (Operation and Maintenance Plan) and MAP (Malfunction Abatement Plan). The OMP and MAP and any subsequent revisions approved by the AQD Detroit District Supervisor shall be attached hereto as Exhibit A of this Consent Order.”

Furthermore, Paragraph 13 of the Consent Order reads, in part:

“On and after the effective date of this Consent Order, if the Company fails to comply with paragraph 9.b or 9.d of this Consent Order, the Company is subject to a stipulated fine of up to \$3,500.00 per violation per day.”

After reviewing the Violation Notice and the Company's response to the violations, the AQD has determined the amount of stipulated fines to be \$10,500.00.

The Company is hereby requested to submit the stipulated fines of \$10,500.00 in accordance with the provisions of Paragraph 13 of Consent Order No. 19-2017 by December 13, 2019. To ensure proper credit, all payments shall include the Payment Identification Number AQD40178-S on the face of the check. Stipulated fines submitted
