Roseville, Michigan 48066-2241

**ATTENTION:** Mr. Robert Clancy, President and Owner

This letter is to advise you of the commencement of escalated enforcement action against Clancy Excavating Company, Inc. (Company) for alleged violations that occurred at 29950 Little Mack Avenue, in the City of Roseville, Michigan (SRN: B1774). This letter follows the Violation Notice dated November 21, 2017, issued by the Michigan Department of Environmental Quality (MDEQ), Air Quality Division (AQD), which detailed violations for failure to comply with Permit to Install (PTI) 589-87A issued on September 23, 2015.

The AQD is hereby providing the Company with an opportunity to demonstrate compliance, present factual information in writing that should be considered regarding the violations and meet to discuss options for satisfactorily resolving the violations. Please contact me at 517-284-6797, or by email at [rathbunj1@michigan.gov](mailto:rathbunj1@michigan.gov), no later than Friday, March 16, 2018, to schedule a meeting to discuss the resolution of this matter.

Be advised that failure to respond to this Enforcement Notice in a timely manner and adequately resolve or address the cited violations may result in further enforcement proceedings including, but not limited to, referral of the matter to the Michigan Department of Attorney General for commencement of civil litigation.

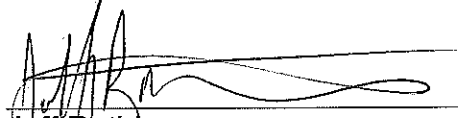

Mr. Robert Clancy
