Dear Mr. Messaros:

SECOND VIOLATION NOTICE

On October 21, 2019, the Michigan Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD) performed an asbestos inspection at 2328 East Genesee, Saginaw, Michigan. The purpose of this inspection was to determine compliance with the requirements of Title 40 of the Code of Federal Regulations (40 CFR), Part 61, Subpart M (National Emission Standard for Asbestos), and Rule 942 of Part 55, Air Pollution Control of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended.

On October 29, 2019, the AQD sent a Violation Notice (VN) citing violations discovered because of the inspection and requested a written response by November 19, 2019. A copy of this VN has been enclosed for your reference. As of the date of this letter, the AQD has not received the written response to the cited violations.

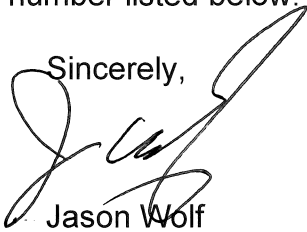

Please be advised that failure to respond in writing and identifying actions taken to resolve the cited violation may result in an escalated enforcement action by the AQD. Please provide the information requested in the VN dated October 29, 2019, by November 27, 2019, which corresponds to 7 days from the date of this letter.

The written response must be submitted to Mr. Matt Karl, EGLE, AQD, P.O. Box 30260, Lansing, Michigan 48909-7760, and must include a copy to Mr. Jason Wolf, Enforcement Unit, AQD, at the same address. Or the response may be scanned and sent to karlm@michigan.gov and wolfj2@michigan.gov.

Be further advised that issuance of this VN does not preclude or limit EGLE's ability to initiate any other enforcement action under state or federal law as appropriate.

Mr. Fred Messaros
