Mr. Frank Heaney, Facilities Service Manager  
Facilities Department  
Detroit Media Partnership  
6200 Metropolitan Parkway  
Sterling Heights, Michigan 48312

SRN: B5853, Macomb County

Dear Mr. Heaney:

**VIOLATION NOTICE**

On February 25, 2014, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), conducted an inspection of Detroit Media Partnership located at 6200 Metropolitan Parkway, Sterling Heights, Michigan. The purpose of this inspection was to determine Detroit Media Partnership's compliance with the requirements of the federal Clean Air Act; Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451); the administrative rules and the conditions of Permit to Install (PTI) number 212-06.

During the inspection, staff observed the following:

Process Description	Rule/Permit Condition Violated	Comments
Offset lithography printing operation	Special Condition number 1.1b, 1.1c, and 1.2	Records of VOC emissions from the blanket/manual wash, non-blanket/manual wash (ink, fountain solution, etc.) and blanket wash solvent usage were not submitted. Emissions and usage records must be based on a 12-month rolling time period.
	Special Condition number 2.1a, 2.1b, and 2.1c	Records of each individual Hazardous Air Pollutant (HAP) emissions, aggregate HAPs and total VOCs for the entire facility were not submitted. Emissions records must be based on a 12-month rolling time period.
	Special Condition number 2.5	All required calculations for the previous calendar month shall be completed in a format acceptable to the District Supervisor by the 15 <sup>th</sup> day of each calendar month.

During this inspection, Detroit Media Partnership was unable to produce emission records. An extension to provide the records on March 7, 2014 was granted. Another extension ending on March 20, 2014 was granted. As of the date of this letter, the AQD has not received the requested records.

This is a violation of the recordkeeping requirements specified in Special Condition number 1.1b, 1.1c, 1.2, 2.1a, 2.1b, and 2.1c of PTI number 212-06.

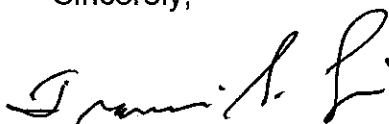

Special Condition number 2.5 and 2.6 require those emissions records and usage records be completed by the 15<sup>th</sup> day of each calendar month and be made available for review upon request by the AQD staff.

Please initiate actions necessary to correct the cited violations and submit a written response to this Violation Notice by April 15, 2014. The written response should include: the dates the violations occurred; an explanation of the causes and duration of the violations; whether the violations are ongoing; a summary of the actions that have been taken and are proposed to be taken to correct the violations and the dates by which these actions will take place; and what steps are being taken to prevent a reoccurrence.

If Detroit Media Partnership believes the above observations or statements are inaccurate or do not constitute violations of the applicable legal requirements cited, please provide appropriate factual information to explain your position.

Thank you for your attention to resolving the violations cited above and for the cooperation that was extended to me during my inspection of Detroit Media Partnership. If you have any questions regarding the violations or the actions necessary to bring this facility into compliance, please contact me at the number listed below.

Sincerely,

Francisco S. Lim
