SUBJECT: Follow up of old PTIs		
RESOLVED COMPLAINTS:		

UP Bio Energy, Inc. (also referred to as Thronson Management) presently has 2 active PTIs. PTI #200-79 was issued on 8/23/1979 for a wood pelletizing plant. PTI #875-84 was issued on 8/21/1986 for a second wood pelletizing plant.

On 10/24/2016, I conducted an onsite visit to the site. I met with Mr. Nathan Fleetwood of LumberJack Hardwoods, Inc. Mr. Fleetwood explained that UP Bio Energy has been out of business for many years. This site was sold to Mr. Roger Stebbins in 1995 or 1996 and was shutdown in 1997. In 1999 it was purchased by Mr. Fleetwood's grandfather and has been LumberJack Hardwoods since. The pelletizing plants have been removed many years ago.

A note will be sent to Ms. Sue Thelen of the Permit Section requesting to void PTI #200-79 and PTI #875-84. This facility can be removed from the district inspection database.
