Ann Arbor, Michigan 48103

Establishment Number: 8100004  
Washtenaw County

ATTENTION: Mr. Ray Choi:

This letter is to advise you of the commencement of escalated enforcement action against Michigan Cleaners with Establishment Number 8100004. This letter follows the February 23, 2018, and March 27, 2018, Violation Notices issued by the Michigan Department of Environmental Quality (MDEQ), Air Quality Division (AQD) which detailed violations of the National Perchloroethylene Air Emission Standards for Dry Cleaning Facilities, Title 40 of the Code of Federal Regulations, Part 63, Subpart M.

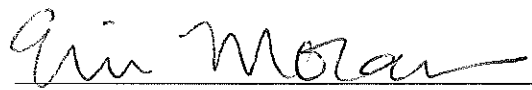

The AQD is hereby providing the Company with an opportunity to demonstrate compliance, present factual information in writing that should be considered regarding the violations and meet to discuss options for satisfactorily resolving the violations. The proposed formal written resolution will include, among other things, a compliance schedule within an administrative consent order and an appropriate monetary penalty. In an effort to seek resolution of the cited federal and state air quality violations, the cited parties will be given an opportunity to discuss a resolution of this matter with the AQD pursuant to Section 5515 of Act 451, which will satisfy both state and federal requirements.

Please contact me at 517-284-6769, or by email at [morane@michigan.gov](mailto:morane@michigan.gov), no later than Friday, June 1, 2018 to schedule a meeting to discuss the resolution of this matter.
