ENFORCEMENT NOTICE

Beaumont Hospital – Dearborn
18101 Oakwood Boulevard
Dearborn, Michigan 48124

ATTENTION: Mr. Matthew Ronan

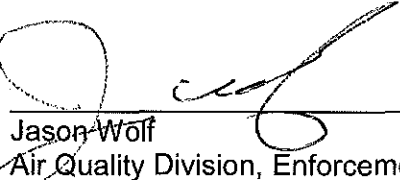

This letter is to advise you of the commencement of escalated enforcement action against Beaumont Hospital (SRN: J4912). This letter follows the November 23, 2016, Violation Notice (VN) issued by the Michigan Department of Environmental Quality (MDEQ), Air Quality Division (AQD) which detailed violations of 40 CFR Part 60, Subpart Dc - Standards of Performance for Small Industrial-Commercial-Institutional Steam Generating Units and Permit to Install (PTI) 57-13.

The AQD is hereby providing you with an opportunity to demonstrate compliance, present factual information in writing that should be considered regarding the violations and meet to discuss options for satisfactorily resolving the violations. This proposed resolution would include, among other things, a compliance schedule and an appropriate monetary penalty. Please contact me at 517-284-6772, or by email at wolfj2@michigan.gov, no later than Tuesday, January 31, 2017, to schedule a meeting to discuss the resolution of this matter.

Be advised that failure to respond to this Enforcement Notice in a timely manner and adequately resolve or address the cited violations may result in further enforcement proceedings including, but not limited to, referral of the matter to the Department of Attorney General for commencement of civil litigation. Be further advised that this Enforcement Notice does not preclude or limit the MDEQ's ability to initiate any other enforcement action under federal or state law as appropriate.
