AIR QUALITY DIVISION
ACTIVITY REPORT: Scheduled Inspection

M319231513

FACILITY: ALLEN PARK PUBLIC SCHOOLS - ARNO ELEMENTARY SCHOOL		SRN / ID: M3192
LOCATION: 7500 FOX, ALLEN PARK		DISTRICT: Detroit
CITY: ALLEN PARK		COUNTY: WAYNE
CONTACT: Pam Miller, Director, Maintenance & Transportation		ACTIVITY DATE: 09/14/2015
STAFF: Jonathan Lamb	COMPLIANCE STATUS: Compliance	SOURCE CLASS: Minor
SUBJECT: Compliance Inspection, FY 2015		
RESOLVED COMPLAINTS:		

An inspection was performed at Arno Elementary (Allen Park Public Schools) on September 14, 2015, to determine if the facility still has an operational incinerator on site. I met with the school maintenance staff, Serena, who was unaware there was an incinerator in the building. We went to the boiler room and we did see the incinerator in the corner of the room, blocked by the storage of other items in the room. It was obvious that the incinerator had not been used in a long time. Pam Miller (Director, Maintenance & Transportation) said the incinerator is no longer physically operational and will be providing written documentation of this, along with a request to void the permit.

Wayne County Permit No. C-7455 was issued November 7, 1986, for the incinerator. Once the documentation is received, AQD will void the permit.
