RE: Riverview Health and Rehab – Michigan DEG – AQD Permit To Install Application

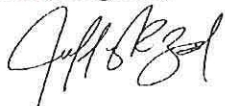

To whom it may concern,

This letter is to serve as notice that Riverview Health and Rehabilitation located at 7733 E Jefferson Detroit, MI 48214 has secured the consulting services of PM Technologies in the assistance of the completion of the Michigan Department of Environmental Quality – Air Quality Division Permit to Install Application as it relates to the standby generator located at the above noted address.

The application is currently being processed and we anticipate the completion and submission of the application to occur no later than Sept 15, 2017.

Should you have any questions or concerns, please feel free to contact me at your convenience. Thank you for your time.

Kind Regards,

Jeff Zilke  
Strategic Account Manager
