List of Partial Compliance Evaluations :

Activity Date	Activity Type	Compliance Status	Comments
06/23/2023	On-site Inspection	Compliance	FY 2023 Inspection Report
04/10/2023	MAERS	Compliance	MAERS Report submission. Submitted on time. EU Test Bench not used this reporting year. No other significant changes from last year.
05/31/2022	MAERS	Compliance	MAERS Report submission. VOC emissions were corrected during audit as the incorrect value was accidentally entered. After the change was made, reported emissions appeared to be accurate.
04/27/2020	MAERS	Compliance	MAERS Report submission. Emission factor for VOCs was entered incorrectly and was corrected. Otherwise, reported emissions appeared to be accurate based on the available information and no other changes were made.

Activity Date	Activity Type	Compliance Status	Comments
05/30/2019	MAERS	Compliance	<p>Reported emissions appear to be accurate, based on available information. The attachment to RG-EUTESTCELLS identified that there are additional testing chambers that emissions were not reported for. Also, emergency generators were not included. Total emissions from these other sources are expected to be minimal and are not expected to have a significant impact on total emissions reported from the facility.</p>
