Dear Tom VanAuken:

SUBJECT: SRN: N2384, Facility Address: 191 Simpson Dr., Litchfield, Hillsdale County

**VIOLATION NOTICE**

In January 2022, the Michigan Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD), notified Finishing Touch, Inc. of the requirement to submit a 2021 air pollution report, with the required submittal date of March 15, 2022, which was extended to March 25, 2022. In response to the non-submittal of this report, a second letter was sent on April 7, 2022, requesting immediate submittal of the Michigan Air Emissions Reporting System (MAERS) forms required pursuant to Rule 202 of the administrative rules promulgated under Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended. A copy of the April 7, 2022, letter is enclosed for your reference.

At this time, we still have not received Finishing Touch, Inc. MAERS reporting forms and the Supplemental Control Template (SCT) and you are hereby notified that this constitutes a violation of the above referenced act and rule. Please submit the MAERS reporting forms within (14) days of the date of this letter.

If Finishing Touch, Inc. believes the above observations or statements are inaccurate or do not constitute violations of the applicable legal requirements cited, please provide appropriate factual information to explain your position.

Thank you for your attention to resolving the violations cited above. If you have any questions regarding the violations or the actions necessary to bring this facility into compliance, please contact me at the number listed below.
