Dear Tom VanAuken:

SUBJECT: SRN: N2384, Facility Address: 191 Simpson Dr., Litchfield, Hillsdale County

**VIOLATION NOTICE**

In January 2022, the Michigan Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD), notified Finishing Touch, Inc. of the requirement to submit a 2021 air pollution report, with the required submittal date of March 15, 2022, which was extended to March 25, 2022. In response to the non-submittal of this report, a second letter was sent on April 7, 2022, requesting immediate submittal of the Michigan Air Emissions Reporting System (MAERS) forms required pursuant to Rule 202 of the administrative rules promulgated under Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended.

On May 11, 2022, the AQD sent Finishing Touch, Inc. a Violation Notice citing violation for non-submittal of the MAERS reporting forms and requested your written response by May 29, 2018. A copy of that letter is enclosed for your reference. As of this date, we have not received your response.

Please be advised that failure to respond in submitting may result in escalated enforcement action by the AQD. Please provide the information requested in our May 11, 2022, letter by June 16, 2022, which corresponds to 14 days from the date of this letter.

Be further advised that issuance of this Violation Notice does not preclude or limit the DEQ's ability to initiate any other enforcement action under state or federal law as appropriate.
