Dear Bill Cobb:

**SECOND VIOLATION NOTICE**

On December 2, 2022, the Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD), conducted an inspection of BOSS Products, located at 2010 The Boss Way, Iron Mountain, Michigan. The purpose of the inspection was to determine BOSS Products compliance with the requirements of the federal Clean Air Act; and Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended; the Air Pollution Control Rules; and the conditions of Permit to Install (PTI) number 39-96 and 39-96A.

On February 7, 2023, the AQD sent BOSS Products a Violation Notice citing violations discovered as a result of the inspection and requested your written response by February 27, 2023. A copy of that letter is enclosed for your reference. As of this date, we have not received your response.

Please be advised that failure to respond in writing and identifying actions BOSS Products will take or has taken to resolve the cited violations may result in escalated enforcement action by the AQD. Please provide the information requested in our February 7, 2023, letter by March 16, 2023, which corresponds to 10 days from the date of this letter.

Please submit the written response to EGLE, AQD, Marquette District, at 1504 West Washington Street, Marquette, Michigan 49855 and submit a copy to Jenine Camilleri, Enforcement Unit Supervisor at EGLE, AQD, P.O. Box 30260, Lansing, Michigan 48909-7760.

Be further advised that issuance of this Violation Notice does not preclude or limit EGLE's ability to initiate any other enforcement action under state or federal law as appropriate.

If you have any questions regarding the violations or the actions necessary to bring BOSS Products into compliance, please contact me at 906-458-6405.

Sincerely,
