 DIRECTOR

October 23, 2015

Mr. R.J. Orozco  
 State Crushing Inc.  
 2260 Auburn Road  
 Auburn Hills, Michigan 48326

SRN: N3171, Oakland County

Dear Mr. R.J. Orozco:

**VIOLATION NOTICE**

On October 12, 2015, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), conducted an inspection of State Crushing Inc. located at 2260 Auburn Road, Auburn Hills, Michigan. The purpose of this inspection was to determine State Crushing's compliance with the requirements of the federal Clean Air Act; Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451); the administrative rules and the conditions of Permit to Install (PTI) number 936-91 and to investigate a recent complaint which we received on October 2, 2015, regarding fugitive dust attributed to State Crushing's operations.

During the inspection, staff observed the following:

Process Description	Rule/Permit Condition Violated	Comments
Crushing operations	Add Permit Number Special condition 18	Did not provide records of the amount of concrete crushed
Site maintenance	Add Permit Number Special condition 19	Appendix A Part II C. Did not apply additional applications of water when the previous application became ineffective

**- RECORDKEEPING/REPORTING**

During this inspection, State Crushing Inc. was unable to produce records of the amount of concrete crushed.

This is a violation of the recordkeeping specified in Special Condition number 18 of PTI number 936-91.

The conditions of PTI number 936-91 require records of the amount of concrete crushed per hour of operation.

Enclosed is a copy of the above cited PTI.

**- FUGITIVE DUST CONTROL PROGRAM**

During this inspection the roadways at State Crushing Inc. were not watered.

This is a violation of the Special Condition number 19 of PTI number 936-91 and specified in Appendix A.

The conditions of PTI number 936-91 require additional applications of calcium chloride or water be made when the previous application becomes ineffective.

Enclosed is a copy of the above cited PTI.

**- RESPONSE/COMPLIANCE PROGRAM/CONCLUSION**

Please initiate actions necessary to correct the cited violations and submit a written response to this Violation Notice by November 13, 2015 (which coincides with 21 calendar days from the date of this letter). The written response should include: the dates the violation occurred; an explanation of the causes and duration of the violation; whether the violation is ongoing; a summary of the actions that have been taken and are proposed to be taken to correct the violation and the dates by which these actions will take place; and what steps are being taken to prevent a reoccurrence.

If State Crushing Inc. believes the above observations or statements are inaccurate or do not constitute violations of the applicable legal requirements cited, please provide appropriate factual information to explain your position.

Thank you for your attention to resolving the violation cited above and for the cooperation that was extended to me during my inspection of October 12, 2015. If you have any questions regarding the violation or the actions necessary to bring this facility into compliance, please contact me at the number listed below.

Sincerely,

Kerry Kelly  
Environmental Quality Analyst  
Air Quality Division
