Dear Mr. Fogelsonger:

**SECOND VIOLATION NOTICE**

On December 8, 2015, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), conducted an inspection of Sunset Valley Cremation (the company), located at 1617 Lewis Street, Bay City, Michigan.

The purpose of the inspection was to determine Fogelsonger Vault Company's (Sunset Valley Cremation) compliance with the requirements of the federal Clean Air Act; and Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451); the administrative rules and the conditions of Permit to Install (PTI) number 105-11 and 44-15.

On December 10, 2015, the AQD sent the company a Violation Notice citing violations discovered as a result of the inspection and requested your written response by January 4, 2016. A copy of that letter is enclosed for your reference. As of this date, we have not received your response.

Please be advised that failure to respond in writing and identifying actions the company will take or has taken to resolve the cited violations may result in escalated enforcement action by the AQD. Please provide the information requested in our December 10, 2015 letter by January 13, 2016, which corresponds to 7 days from the date of this letter.

Be further advised that issuance of this Violation Notice does not preclude or limit the DEQ's ability to initiate any other enforcement action under state or federal law as appropriate.

If you have any questions regarding the violations or the actions necessary to bring Sunset Valley Cremation into compliance, please contact me at the number listed below.

Sincerely,
