Documentation of Abatement for Citations

Dear Sam Liveson:

The following is information requested. The details are as follows:

Semi-Annual Certification Reports

Violations occurred: Since December 2008

We have not submitted the semi-annual certification reports since December 2008. This report is not mailed to us yearly and essentially we missed (continually) that we needed to continue the report. The people initially involved in this process are no longer with the company.

The violations are not ongoing.

The submission of these reports has been added into our calendars. This action has already been taken.

In order to prevent reoccurrence multiple managers have the reporting noted on their calendars.

Regards,

Jeremy Bul
President
Becker Metal Works, Inc.
