In the matter of:

Industrial Metal Coating  
6070 Eighteen Mile Road  
Sterling Heights, Michigan 48314

SRN: N5145; Macomb County

ATTENTION: Mr. Phillip Oliver, President

This letter is to advise you of the commencement of escalated enforcement action against Industrial Metal Coating (Company) with State Registration Number N5145. This letter follows the July 21, 2017, and October 24, 2017 Violation Notices issued by the Michigan Department of Environmental Quality (MDEQ), Air Quality Division (AQD) which detailed violations of Permit to Install (PTI) No. 25-16 and of Michigan Administrative Code, R 336.1901 (Rule 901).

The AQD is hereby providing the Company with an opportunity to demonstrate compliance, present factual information in writing that should be considered regarding the violations and meet to discuss options for satisfactorily resolving the violations. The proposed formal written resolution will include, among other things, a compliance schedule within an administrative consent order and an appropriate monetary penalty. In an effort to seek resolution of the cited federal and state air quality violations, the cited parties will be given an opportunity to discuss a resolution of this matter with the AQD pursuant to Section 5515 of Act 451, which will satisfy both state and federal requirements.

Please contact me at 517-284-6797, or by email at [rathbunj1@michigan.gov](mailto:rathbunj1@michigan.gov), no later than July 13, 2018, to schedule a meeting to discuss the resolution of this matter.

Be further advised that this Enforcement Notice does not preclude or limit the MDEQ's ability to initiate any other enforcement action under federal or state law as appropriate.
