RESOLVED COMPLAINTS:		

This facility has two active PTIs for fiberglass boat manufacturing. PTI #2-75 was issued on 3/14/1975. PTI #413-93 was issued on 6/24/1994.

On 10/24/2016 I conducted an onsite investigation of this facility. The company is no longer operating at this site. An online search shows the company was sold many years ago and no longer operates in the area.

A note will be sent to Ms. Sue Thelen of the Permit Section requesting to void PTI #2-75 and PTI #413-93. This facility can be removed from the district inspection database.
