<b>RESOLVED COMPLAINTS:</b>		

At 11:00 A.M. on September 9, 2021, Air Quality Division (AQD) staff Dave Morgan conducted an on-site inspection of 138 Water Street in Lowell where Michigan Wire Processing was located. While conducting an inspection at the King Milling Company earlier in the day, it was learned that King Milling had purchased the adjacent Michigan Wire property. The Michigan Wire facility was razed and remediated and has been replaced with a King Milling packaging facility.

PTI No. 421-94 assigned to Michigan Wire will be voided. Michigan Wire Processing will be marked as permanently closed in the AQD data systems. No further action is required.
