Dear Mr. Mirza:

SECOND VIOLATION NOTICE

On July 18, 2013, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), conducted an inspection of Nylok Corporation (the company), located at 15260 Hallmark Court, Macomb, Michigan. The purpose of the inspection was to determine Nylok Corporation's compliance with the requirements of the federal Clean Air Act; and Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451); the administrative rules and the conditions of Permit to Install (PTI) number 231-04, 253-06 and 140-11.

On September 13, 2013, the AQD sent the company a Violation Notice citing violations discovered as a result of the inspection and requested your written response by October 3, 2013. A copy of that letter is enclosed for your reference. As of this date, we have not received an acceptable response to the Violation Notice.

Please be advised that failure to respond in writing and identifying actions the company will take or has taken to resolve the cited violations may result in escalated enforcement action by the AQD. Please provide the information requested in our September 13, 2013 letter by February 6, 2014, which corresponds to 14 days from the date of this letter.

Be further advised that issuance of this Violation Notice does not preclude or limit the DEQ's ability to initiate any other enforcement action under state or federal law as appropriate.

If you have any questions regarding the violations or the actions necessary to bring Nylok Corporation into compliance, please contact me at the number listed below.

Sincerely,

Sebastian G. Kallumkal
