AQD No. 2018-14

SRN: N6034

STIPULATION FOR ENTRY OF FINAL ORDER  
BY CONSENT

This proceeding resulted from allegations by the Michigan Department of Environmental Quality (MDEQ) Air Quality Division (AQD) against Wood Island Waste Management, Inc. (Company), a corporation organized under the laws of the State of Michigan and doing business at 10081 State Highway M-28 East, City of Wetmore, County of Alger, State of Michigan. The MDEQ alleges that the Company has violated the National Emission Standards for Hazardous Air Pollutants (NESHAP), 40 CFR Part 61, Subpart M and Mich Admin Code, R 336.1942 (Rule 942), as specified in a Violation Notice dated March 19, 2018. The alleged violations occurred at the sanitary landfill located at 10081 State Highway M-28 East, Wetmore, Michigan. Specifically, the MDEQ alleges that the Company failed to provide 45-day notice prior to excavating or disturbing asbestos-containing waste material, failed to retain copy of waste records as required, failed to display warning signs as required, and failed to maintain records of the location, depth, and quantity of asbestos-containing waste material on a map or diagram of the disposal area. The Company and the MDEQ stipulate to the termination of this proceeding by entry of a Stipulation for Entry of a Final Order by Consent (Consent Order).

The Company and the MDEQ stipulate as follows:

1. The Natural Resources and Environmental Protection Act, 1994 PA 451, (Act 451), MCL 324.101 *et seq.*, is an act that controls pollution to protect the environment and natural resources in this State.
2. Article II, Pollution Control, Part 55 of Act 451 (Part 55), MCL 324.5501 *et seq.*, provides for air pollution control regulations in this State.

3. The MDEQ was created as a principal department within the Executive Branch of the State of Michigan pursuant to Executive Order 2011-1 and has all statutory authority, powers, duties, functions and responsibilities to administer and enforce all provisions of Part 55.

4. The MDEQ Director has delegated authority to the Director of the AQD (AQD Director) to enter into this Consent Order.

5. Section 112 of the CAA, provides authority for the Administrator of the United States Environmental Protection Agency (USEPA) to establish emission standards for hazardous air pollutants.

6. The USEPA has promulgated NESHAP regulations for asbestos, which are set forth in the 40 CFR Part 61, Subpart M, Sections 61.140 through 61.156.

7. The USEPA has delegated authority for administration and enforcement of NESHAP asbestos regulations to MDEQ-AQD. This authority was granted in an April 11, 1988, letter from Valdis Adamkus (USEPA Regional Administrator) to Robert Miller (AQD).

8. The termination of this matter by a Consent Order pursuant to Section 5528 of Part 55 is proper and acceptable.

9. The Company and the MDEQ agree that the signing of this Consent Order is for settlement purposes only and does not constitute an admission by the Company that the law has been violated.

10. This Consent Order becomes effective on the date of execution (effective date of this Consent Order) by the AQD Director.

11. The Company shall achieve compliance with the aforementioned regulations in accordance with the requirements contained in this Consent Order.

Box 30657, Lansing, Michigan 48909-8157, a settlement amount of \$8,500.00 which includes AQD costs for investigation and enforcement. However, the AQD is precluded from seeking both a stipulated fine under this Consent Order and a statutory fine for the same violation.

17. If the Company fails to pay any part of the settlement amount assessed in paragraph 14 or any stipulated fines assessed pursuant to paragraph 15 under this Consent Order by the due date, the Company shall pay a late payment penalty of \$50.00 per day for each day that the settlement amount or stipulated fines are past due.

18. The Company agrees not to contest the legal basis for the settlement amount assessed pursuant to paragraph 14. The Company also agrees not to contest the legal basis for any stipulated fines assessed pursuant to paragraph 15 of this Consent Order but reserves the right to dispute in a court of competent jurisdiction the factual basis upon which a demand by MDEQ of stipulated fines is made. In addition, the Company agrees that said fines have not been assessed by the MDEQ pursuant to Section 5529 of Part 55 and therefore are not reviewable under Section 5529 of Part 55.

19. This Consent Order shall remain in full force and effect for a period of at least 2 years. Thereafter, this Consent Order may be terminated only upon the issuance of a written notice of termination issued by the AQD Director. Prior to issuance of a written notice of termination, the Company shall submit a request to the AQD Director at the Michigan Department of Environmental Quality, Air Quality Division, P.O. Box 30260, Lansing, Michigan 48909-7760, consisting of a written certification that the Company has fully complied with all the requirements of this Consent Order and has made all payments including all stipulated fines required by this Consent Order. assume all of the obligations of this Consent Order. A copy of that agreement shall be forwarded to the AQD Upper Peninsula District Supervisor within thirty (30) days of assuming the obligations of this Consent Order.

22. Section 5530 Part 55 may serve as a source of authority but not a limitation under which this Consent Order may be enforced. Further, Part 17 of Act 451 and all other applicable laws and any other legal basis or applicable statute may be used to enforce this Consent Order.

23. The Company hereby stipulates that entry of this Consent Order is a result of an action by MDEQ to resolve alleged violations at 10081 State Highway M-28 East, Wetmore, Michigan. The Company further stipulates that it will take all lawful actions necessary to fully comply with this Consent Order, even if the Company files for bankruptcy in the future.
