Dear Ms. Kelly:

It was a pleasure meeting you and your colleague Rebecca on Wednesday, July 8. Per our discussion, please find enclosed our Semi- and Annual Solvent Emission Reports for the period of January 1, 2010 through June 30, 2015; 11 reports in total. As mentioned in our meeting, procedures have been put in place to ensure our compliance onward concerning our emissions reporting. We have established an office calendar for such activity that is not dependent on one employee.

As agreed, I have also included the 2014 paint usage log.

Should you have any further questions, please feel free to contact me. Again, thank you for your assistance and understanding.

Regards,
