Subject: Violation Notice SRN: N6938, Macomb County

Dear Mr. Kallumkal,

In response to the above subject, please note that we have initiated the following actions necessary to correct the cited violations:

FG Facility PTI No. 21-01B SC 3.4, 3.5, & 3.6

Since October, 2018, we have been submitting a Paint Usage and VOC and HAP Calculations Report on a monthly basis. Report covering November, 2017, through October, 2018, was submitted on January 3, 2019. We believe this will correct the cited violations for the FC Facility.

FG Plasma Cutters PTI No. 21-01B SC 2.7, 2.8, & 2.9

We have a dust collector system on order that along with the proper reporting we believe will correct the cited violations for the FC Plasma Cutter. Installation is expected to be complete by the end of May, 2019, at which time we will begin keeping the required records.
