Dear Mr. Jones:

SUBJECT: SRN: N7564, Facility Address: 55390 Lyon Industrial Drive; New Hudson, MI 48165

**VIOLATION NOTICE**

In January 2014, the Michigan Department of Environmental Quality (MDEQ), Air Quality Division (AQD), notified Martin Technologies of the requirement to submit a 2013 air pollution report, with the required submittal date of March 17, 2014. In response to the non-submittal of this report, a second letter was sent on April 4, 2014 requesting immediate submittal of the Michigan Air Emissions Reporting System (MAERS) forms required pursuant to Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451) and by Air Pollution Control Rule 2 (Michigan Administrative Code R 336.202). A copy of the April 4, 2014 letter is enclosed for your reference.

At this time, we still have not received Martin Technologies' complete MAERS submittal and you are hereby notified that this constitutes a violation of the above referenced act and rule. Please submit the MAERS reporting forms within (14) days of the date of this letter.

If Martin Technologies believes the above observations or statements are inaccurate or do not constitute violations of the applicable legal requirements cited, please provide appropriate factual information to explain your position.

Thank you for your attention to resolving the violations cited above. If you have any questions regarding the violations or the actions necessary to bring this facility into compliance, please contact me at the number listed below.
