Dear Mr. James:

SUBJECT: Consent Order AQD No. 2019-21, Stipulated Fines

On August 8, 2019, the Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD) and Dicastal North America, Inc. (Company) entered into a Stipulation for Entry of Final Order by Consent AQD No. 2019-21 (Consent Order), to resolve violations that had occurred at the Company's facility in Greenville, Michigan.

In a Violation Notice (VN) dated August 26, 2021, and subsequently re-issued on September 10, 2021, the AQD cited the Company for violating the requirements of Permit to Install (PTI) Number 78-15H, Special Conditions IV.5 and VI.7 and paragraph 9.A.1 of the Consent Order for failing to properly maintain the air pressure differential monitoring system to assure that the non-fugitive enclosure for the liquid coating line is maintained and operated in a satisfactory manner.

Paragraph 9.A.1 of the Consent Order states the following:

"On and after the effective date of this Consent Order, the Company shall comply with PTI Number 78-15E and any subsequent permit revision. PTI Number 78-15E is attached hereto as Exhibit A of this Consent Order, incorporated by reference into this Consent Order and shall be enforceable in accordance with the provisions of this Consent Order."

Furthermore, Paragraph 14 of the Consent Order reads, in part:

"On and after the effective date of this Consent Order, if the Company fails to comply with paragraph 9.A.1 of this Consent Order, the Company is subject to a stipulated fine of up to \$5,000 per violation per day."

The AQD has determined the amount of the stipulated fines to be \$10,000. After reviewing the VN and the Company's response to the violations, the **ADQ** used enforcement discretion in determining the amount of the stipulated fines.

The Company is hereby requested to submit the stipulated fines of \$10,000 in accordance with the provisions of Paragraph 14 of Consent Order AQD No. 2019-21 by November 20, 2021. To ensure proper credit, all payments shall include the Agreement Identification Number AQD40227-S on the face of the check. Stipulated fines submitted under this Consent Order shall be made by check, payable to the "State of Michigan" and delivered to the Michigan Department of Environment, Great Lakes, and Energy, Accounting Services Division, Cashier's Office, P.O. Box 30657, Lansing, Michigan 48909-8157.
