SUBJECT: Determine compliance with General Permit No. 83-08 for Portable Impact Crusher.		
RESOLVED COMPLAINTS:		

On August 18, 2017, at 12:40 PM, I called Newberry Redi-Mix, Inc. to determine the status of their portable crushing facility covered by General Permit to Install No. 83-08. I spoke with Mr. Robert Bowler, Manager for Newberry Redi-Mix.

Mr. Bowler informed me the portable impact crusher, a Tesab 623 model, was sold to a company below the bridge, before he started working for the company. He believed the Unit was sold to Hipoint Aggregates.

I informed Mr. Bowler, based on our conversation, I would have permit No. 83-08 voided.
