RE: Violation Notice
45310 Van Dyke Avenue
Utica, Macomb County, Michigan
Permit to Install (PTI) 153-08

Dear Mr. Elmouchi:

On behalf of Fast Track LLC, Timmermans Environmental Services, Inc. is providing this response to the violation letter dated February 19, 2016. Per the violation notice, the written response is including the following:

- *The dates the violation occurred?* The dates listed on the violation notice are January 18, 2011 through May 2, 2012. However, a sample was not collected at the beginning of this period as the system was not operating from October 12th 2011 to May 2nd 2012.
- *An explanation of the causes and duration of the violation?* It is understood that an air emission sample should have been collected when the system was restarted on May 2nd, 2012. The quarterly sample was collected the next month on June 13, 2012.
- *Whether the violation is ongoing?* It was indicated at the time of inspection that the system had not been operating since November of 2012, and therefore no emissions have occurred since.
- *A summary of the actions that have been taken and are proposed to be taken to correct the violation?* No actions have been taken as no emissions have been occurring since 2012.
- *The dates by which these actions will take place?* No actions proposed
- *What steps are being taken to prevent a reoccurrence?* If the system is restarted, the exhaust stack will be repaired and emission samples will be collected in accordance with PTI 153-08.

Sincerely,

Tom Sampson
Project Manager
