MAERS Emission Unit List

none

Inspection Summary

I stopped to inspect this site on 10/18/16 after receiving a permit termination request from Speedway LLC signed by Ryan on 10/11/16. I briefly spoke with the manager Caitlan Bolden and walked the property to confirm a device was not on site; there is a power pole with a separate electric meter on the SE side of the building, yet it was not connected to anything. The permit will be voided as requested.

The void notification letter will be sent to the following address:

Speedway LLC
Attn: Ryan Sabol
500 Speedway Drive
Enon, OH 45323

A copy of this report will be used to void PTI 227-08 in accordance with MDEQ memo Procedure for Voiding Permits to Install, dated June 7, 1999.

Although the permit will be voided, this site will still have an "open" status in the RRD spill database until further action by the appropriate parties is completed. The RRD contact for this site is Jim Innes.
