SUBJECT: **Violation Notice Response**

Dear Mr. Kovalchick :

This response letter is in regards to a violation that occurred on November 22nd, 2017. We were in violation of PTI 366-08B special conditions VI. 1 through 4 by not compiling the required records/data for 2017. A detailed spreadsheet needed to be made in order to compile the records. The completion of the spreadsheet was put off for 11 months. The spreadsheet has been completed, all 2017 records have been compiled and emailed per your request. I will make sure all records remain up to date moving forward. The chart recorder pen has been fixed and is in good working order. If you have any further questions or concerns please feel free to contact me.

Respectfully,

Tyler Lang
