Dear Mr. Foy:

SECOND VIOLATION NOTICE

On May 2, 2016, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), issued a Violation Notice to Bold Companies, located at 2291 Olthoff Drive, Muskegon, Michigan for non-submittal of the Michigan Air Emissions Reporting System.

The AQD requested your written response by May 16, 2016. A copy of that letter is enclosed for your reference. As of this date, we have not received your response.

Please be advised that failure to respond in writing and identifying actions the company will take or has taken to resolve the cited violation may result in escalated enforcement action by the AQD. Please provide the information requested in our May 2, 2016 letter by June 6, 2016, which corresponds to 14 days from the date of this letter.

Be further advised that issuance of this Violation Notice does not preclude or limit the DEQ's ability to initiate any other enforcement action under state or federal law as appropriate.

If you have any questions regarding the violation or the actions necessary to bring Bold Companies into compliance, please contact me at the number listed below.

Sincerely,
