Dear Mr. Burrell:

SECOND VIOLATION NOTICE

On October 16, 2017, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), conducted an inspection of Target Trucking, LLC (the company), located at 13650 Boyne Road, Grass Lake, Michigan. The purpose of the inspection was to determine the Company's compliance with the requirements of the federal Clean Air Act; and Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451); the Air Pollution Control Rules; and to investigate dust complaints attributed to this facility.

On October 24, 2017, the AQD sent the company a Violation Notice citing violations discovered as a result of the inspection and requested your written response by November 14, 2017. A copy of that letter is enclosed for your reference. As of this date, we have not received your response.

Please be advised that failure to respond in writing and identifying actions the company will take or has taken to resolve the cited violations may result in escalated enforcement action by the AQD. Please provide the information requested in our October 24, 2017 letter by March 6, 2018, which corresponds to 14 days from the date of this letter.

Be further advised that issuance of this Violation Notice does not preclude or limit the DEQ's ability to initiate any other enforcement action under state or federal law as appropriate.
