The purpose of this inspection was to determine Kar Nut Products Company's compliance with the requirements of the federal Clean Air Act; Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451); the administrative rules and to investigate recent complaints which we received on April 2, 15, 16 and 24, 2013, regarding foul odors and adverse health effects attributed to Kar Nut Products Company's operations.

During the inspection, staff observed the following:
