Dear Mr. Klett:

SECOND VIOLATION NOTICE

On December 12, 2013, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), received a late relocation notification for Revolution Onsite Crushing (Facility). As a result, on December 18, 2013, the AQD sent the Facility a Violation Notice citing violation of Permit to Install No. 192-12, Condition 1.13, and requested your written response by January 8, 2014 (copy enclosed). As of this date, the DEQ, AQD, has not received your response.

Please be advised that failure to respond in writing and identifying actions the Facility will take or has taken to resolve the cited violation may result in escalated enforcement action by the AQD. Please provide the information requested in our December 18, 2013, letter by January 31, 2014, which corresponds to 14 days from the date of this letter.

Be further advised that issuance of this Violation Notice does not preclude or limit the DEQ's ability to initiate any other enforcement action under state or federal law as appropriate.

If you have any questions regarding the violation or the actions necessary to bring the Facility into compliance, please contact me at the telephone number listed below.

Sincerely,

Dorothy Bohn
