Dear Mr. Burpee:

**SECOND VIOLATION NOTICE**

On June 14, 2017, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), conducted an inspection of Landscape Forms, Inc. (Facility), located at 5262 East Cork Street, Kalamazoo, Michigan. The purpose of the inspection was to determine the Facility's compliance with the requirements of the federal Clean Air Act; and Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended; the Air Pollution Control Rules; and the conditions of Permit to Install No. 203-15.

On July 25, 2017, the AQD sent the Facility a Violation Notice citing violations discovered as a result of the inspection and requested your written response by August 15, 2017. A copy of that letter is enclosed for your reference. As of this date, the DEQ, AQD, have not received your response.

Please be advised that failure to respond in writing and identifying actions the Facility will take or has taken to resolve the cited violations may result in escalated enforcement action by the AQD. Please provide the information requested in our July 25, 2017, letter by September 5, 2017, which corresponds to 14 days from the date of this letter.

Be further advised that issuance of this Violation Notice does not preclude or limit the DEQ's ability to initiate any other enforcement action under state or federal law as appropriate.
