ENFORCEMENT NOTICE

In the matter of:

Rosati Specialties, LLC
24200 Capital Boulevard
Clinton Township, Michigan 48036-1335

ATTENTION: Mr. Don Rosati, President and Owner

This letter is to advise you of the commencement of escalated enforcement action against Rosati Specialties, LLC (SRN: P0808). This letter follows the September 12, 2017, Violation Notice issued by the Michigan Department of Environmental Quality (MDEQ), Air Quality Division (AQD), which detailed violations of Michigan Administrative Code R 336.1201, R 336.1210, along with federal rule 40 CFR Part 63 Subpart QQQQ - National Emission Standards for Hazardous Air Pollutants: Surface Coating of Wood Building Products and for violations of Permit to Install (PTI) 38-17 issued on May 19, 2017.

The alleged violations against Rosati Specialties are federally enforceable and are considered a High Priority Violation (HPV) by the United States Environmental Protection Agency (USEPA). The HPV designation means that the USEPA places a priority on enforcing the regulations governing this violation and on formally resolving alleged violations of this type. The AQD is required to report all HPVs to the USEPA, pursuant to the state's grant commitments with the USEPA and the state's delegated enforcement authority of the federal Clean Air Act.

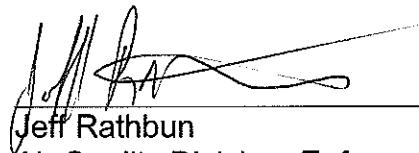

The AQD is hereby providing you with an opportunity to demonstrate compliance, present factual information in writing that should be considered regarding the violations, and meet to discuss options for satisfactorily resolving the violations. This proposed resolution would include, among other things, a compliance schedule and an appropriate monetary penalty. Please contact me at 517-284-6797, or by email at rathbunj1@michigan.gov, no later than Tuesday, January 23, 2018, to schedule a meeting to discuss the resolution of this matter.

Be advised that failure to respond to this Enforcement Notice in a timely manner and adequately resolve or address the cited violations may result in further enforcement proceedings including, but not limited to, referral of the matter to the Michigan Department of Attorney General for commencement of civil litigation. Be further advised that this Enforcement Notice does not preclude or limit the MDEQ's ability to initiate any other enforcement action under federal or state law as appropriate.
