To whom it may concern,

I am writing in regards to SRN:N2613, Macomb County and SRN: P1020, Macomb County. We were notified on April 11, 2019 of a violation of failing to notify and/or apply for a new permit. The cause of this is none other than lack of knowing to do so. We had worked with local engineers and applied for permits with our local township and we never advised to contact DEQ. My father, whom is no longer with us, pulled a permit for the Auburn road plant in 1990. The operations on Auburn road have shut down permanently. On May 2, 2019, I applied for a new permit for the Juengel Road site. We will continue to operate at the Juengel Road location only. If you need anything more from us, please contact me. Thank you for your help in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Stephen J. Messina". The signature is written in a cursive style with a large initial "S" and "M".
