AUGUST 3, 2019

EGLER, AQD WARREN, DISTRICT
27700 DONALD COURT
WARREN, MI 48092-2793

On July 10, 2019 Mr. Robert Elmouchi (environmental quality air quality division) came into our shop and explained our violations to us. We are purchasing some new filters and any rubber seals that we may need for the dust collector. We have been trying to do more cabinet blasting also.

As for the powder coating, we have installed all the filters that should have been in place.

Best Regards

Ray's Radiator Clinic, Inc.
