Summary of Facility Visit and Compliance Status:

Meek-Beck and Associates, located at 11875 Belden Court, Livonia, Michigan, was identified as a targeted inspection for 2019 due to the close proximity to ambient air trichloroethylene (TCE) concentrations that were detected as part of the Ford Beacon Project indoor air monitoring at addresses along Belden Court. For information regarding the ambient air sampling conducted as part of the Ford Livonia Transmission Plant remedial investigation, please see SRN A8645, MACES report CA_A864547612. There are no records of air quality permits on file for this facility.

On July 31, 2019 Mr. Todd Zynda and Ms. Rebecca Loftus arrived at 1:05 PM at 11875 Belden Court and were greeted by Mr. Dave Meek, Sales. According to Mr. Meek, the facility consists of office space and a warehouse. During the inspection the office space and warehouse were observed. According to the Meek-Beck and Associates website, the company sells plumbing products for the construction industry.

The facility does not operate any of the following equipment: boilers, cold cleaners, or emergency generators.

Operations at the facility do not appear to be subject to air quality rules or regulations. The source is considered to be in compliance for the reason that no air emissions activity occurs at this address.
