Summary of Facility Visit and Compliance Status:

Ever Kold Refrigeration, located at 11877 Belden Court, Livonia, Michigan, was identified as a targeted inspection for 2019 due to the close proximity to ambient air trichloroethylene (TCE) concentrations that were detected as part of the Ford Beacon Project indoor air monitoring at addresses along Belden Court. For information regarding the ambient air sampling conducted as part of the Ford Livonia Transmission Plant remedial investigation, please see SRN A8645, MACES report CA_A864547612. There are no records of air quality permits on file for this facility.

On July 31, 2019 Mr. Todd Zynda and Ms. Rebecca Loftus arrived at 12:55 PM at 11877 Belden Court and were greeted by Mr. Alan Perttola, President. According to Mr. Perttola, Ever Kold Refrigeration is a refrigeration service company. The facility operates four service trucks and has office space and a warehouse. The office space and warehouse were observed during the inspection. The warehouse houses refrigeration repair equipment and scrap parts from repairs.

According to Mr. Perttola, the facility does not operate any of the following equipment: boilers, cold cleaners, or emergency generators.

Operations at the facility do not appear to be subject to air quality rules or regulations. The source is considered to be in compliance for the reason that no air emissions activity occurs at this address.
