Dear Lyle Hippensteel:

**SECOND VIOLATION NOTICE**

In January 2022, the Michigan Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD), notified Mt. Crushmor, LLC of the requirement to submit a 2021 Michigan Air Emissions System (MAERS) report required pursuant to Rule 202 of the administrative rules promulgated under Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended.

On July 21, 2022, the AQD sent a Violation Notice (VN) citing a violation of Rule 202 and requested Mt. Crushmor, LLC to complete the MAERS submittal by July 28, 2022. A copy of this VN has been enclosed for your reference.

Please be advised that failure to submit the requested report may result in an escalated enforcement action by the AQD. Please provide the information requested in the VN dated July 21, 2022, by September 13, 2022, which corresponds to 14 days from the date of this letter.

Be further advised that issuance of this VN does not preclude or limit EGLE's ability to initiate any other enforcement action under state or federal law as appropriate.

If you have any questions regarding this matter or the actions necessary to come into compliance, please contact me at the number listed below.

Sincerely,

Jason Wolf
