To whom it may concern,

The following letter is a response to the recent violation Total Property Management Group received on November 24th 2020. We have been at this facility since 2012 and were never aware that we were not allowed to burn at our property. Moving forward we will make sure that we follow the guidelines that we were recently given. On the day in question, we were burning a tree that had died onsite. If you have any further questions or concerns feel free to contact me at any time.
