**RE: Open Burning Notification Letter**

Dear Michael,

This letter is to serve as a confirmation of receipt of your letter dated May 21, 2020. JCS, Inc. intends on adhering to the actions you recommended by not open burning on the premises, unless it is an acceptable burn material such as "brush".

Our alternative method of dealing with burnable refuse not allowed per your letter, will be to dispose of it into a solid waste container such as a dumpster, which we currently rent and have on-site.

If I can be of any more assistance please let me know.

Sincerely,

Nate Jurmu, P.E.  
Project Manager
