Inspection Summary

I entered the facility and the desk receptionist paged Robert for me who arrived shortly thereafter. I informed Robert of the purpose of my visit and provided him with a copy of my business card. According to Robert, he

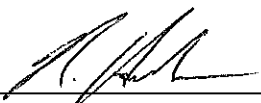

was unaware of any sort of incinerator, but was willing to escort me around the building to confirm it was removed.

Robert and I walked the building and could not find evidence of an incinerator. I feel comfortable stating this device has been removed or never installed and the permit is no longer valid.

The notice of voidance will be sent to:

Mr. Robert Cucci
MediLodge of Grand Blanc
11941 Belsay Road
Grand Blanc, MI 48439

This report will be used to void permits 10-711 in accordance with MDEQ memo Procedure for Voiding Permits to Install, dated June 7, 1999.
