On December 17, 2015, the Department of Environmental Quality (DEQ), Air Quality Division (AQD) sent you a Violation Notice in reference to violations of the National Emission Standards for Hazardous Air Pollutants (NESHAP) that occurred at 32035 Van Dyke Avenue, Warren, Michigan.

These violations have resulted in the commencement of formal civil and/or administrative proceedings pursuant to the federal Clean Air Act and Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451), Article II, Pollution Control, Chapter 1: Point Source Pollution Control and Air Resources Protection. This proposed resolution will include, among other things, a compliance schedule and an appropriate monetary penalty.

In an effort to seek resolution of the cited federal and state air quality violations, the cited parties will be given an opportunity to discuss a resolution of this matter with the AQD pursuant to Section 5515 of Act 451, which will satisfy both state and federal requirements. Please contact me no later than Friday, June 10, 2016, to schedule a meeting to discuss the resolution of this matter.

Be further advised that this Enforcement Notice does not preclude or limit the DEQ's ability to initiate any other enforcement action under federal or state law as appropriate.
