Dear Mr. Holmana:

### SECOND VIOLATION NOTICE

On February 13, 2017, the Department of Environmental Quality (DEQ), Air Quality Division, conducted an inspection of the commercial buildings located at 5703, 5705, 5723 and 5741 E. Eight Mile, Warren. The purpose of this inspection was to determine Marogi Enterprises, LLC's and RJ Hoffman Management, Inc.'s compliance with the requirements of Title 40 of the Code of Federal Regulations, Part 61, Subpart M (National Emission Standard for Asbestos), and Rule 942 of Part 55, Air Pollution Control of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended.

According to our investigation, Marogi Enterprises, LLC owns the facility and RJ Hoffman Management, Inc. performed the demolition activities at the facility. The National Emission Standard for Asbestos holds both the owner and operator equally liable for violations.

On March 7, 2017, the AQD sent the owner a Violation Notice citing a violation discovered as a result of the inspection and requested your written response by March 27, 2017. A copy of that letter is enclosed for your reference. As of this date, we have not received your response.

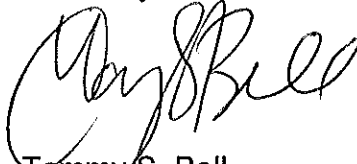

Please be advised that failure to respond in writing and identifying actions the owner will take or has taken to resolve the cited violation may result in escalated enforcement action by the AQD. Please provide the information requested in our March 7, 2017 letter by April 24, 2017, which corresponds to 10 days from the date of this letter.

Be further advised that issuance of this Violation Notice does not preclude or limit the DEQ's ability to initiate any other enforcement action under state or federal law as appropriate.
